# Cottages scoop awards

Congratulations go to Debbie and Ross Williamson of Broadway Manor Cottages who are celebrating again after being awarded two prestigious Excellence in Tourism Awards at the 'Tourism Oscars' held in Birmingham.

Broadway Manor Cottages scooped Gold in the 2010 Heart of England Excellence in Tourism Self Catering Holiday of the Year Award and a Sustainable

Tourism Silver Award and will now represent the Heart of England at the National Finals next April.

The judges commented on their 'exceptionally high quality standards', 'attention to detail throughout' and 'the warm welcome that awaits visitors' to the cottages. The judges were also impressed by 'the dedication by the owners to provide high standards whilst minimising the impact

on the environment'.

These awards are hot on the heels of a Silver Award for Broadway Manor Cottages in the Self-Catering Holiday of the Year category in the first ever Cotswolds Tourism Awards.
